Dear Parent/ Guardian,

## **'Moving On' Funding to Visit Mainland Schools and Colleges Post 16 Education and Training Parents of pupils in Year 10 & 11**

Please find the attached forms which enable you to apply for a reimbursement grant of up to £170. The grant is funded by Extended Services and is available to support travel costs when accompanying your child to visit their prospective school or college.

The grant can be applied for once for each student, either in Year 10 or in Year 11, at any time during the school year.

Please retain this form until required, however spare copies will be available from Children's Services.

Unless otherwise agreed, the grant will be issued after the visit. It is essential that receipts or tickets for flights, boat, car hire, petrol etc are submitted with the form. Payment will be issued by BACS or cheque from the Council made payable to the account holder specified on the application form. Forms and receipts must be submitted to Children's Services, marked for my attention, using the address above.

Please do not hesitate to contact me should you wish to discuss the funding further.

Yours sincerely,

**Helen McGuinness**  
Childcare & Youth Officer
